

FACILITIES MANAGEMENT

G4S Risk Management delivers

- Hard and Soft Facilities Management Services for clients in environments as diverse as Afghanistan, Iraq, and Sierra Leone.
- Our organisational scale, operational experience, and global supply chain networks enable us to overcome low levels of public infrastructure and public utilities to provide a best-in-class service and hospitality experience for multi-lateral government agencies, and customers in the Oil & Gas, Mining, and Power Generation and Transmission sectors.

ABOUT US

Backed by the global corporate footprint and purchasing power of G4S plc, G4S Risk Management is a leading provider of risk mitigation, secure support services and integrated solutions to governments, international agencies and multinational corporations, wherever they may operate.

OUR WORK

- Services in Afghanistan at our Camp Anjuman, in Kabul include the provision of accommodation, catering, hospitality and compound security for a western government's diplomatic mission.
- We provide similar services at our Secure Business Park in Baghdad, Iraq, to a range of large international commercial companies. We enable their project delivery in a high risk environment.
- In Sierra Leone we provide full camp management and engineering maintenance services at Hastings Logistics Base, the hub logistics centre for the distribution of UK Aid's investments and donations throughout Sierra Leone.
- In Camp Smith Iraq, G4S accommodates and fully supports over 500 personnel, including local Iraqi citizens and expatriates.
